

Guidelines for Invited Lectures

The EUS Summit 2026 Scientific Program Committee would like to acknowledge all invited speakers for their presentations. To ensure that the content(s) are shared effectively with all participants, we advise all speakers to comply with the following guidelines.

► Presentation Time

- Session I, II, III, WISE Session: 15 min lecture each + 20 min discussion after finishing all lectures
- Session IV: 15 min lecture each + 5 min discussion each
- Session V, Satellite Symposium: 10 min lecture each + 5 min discussion each
- Session VI: 15 min lecture each + 25 min discussion after finishing all lectures
- Luncheon Symposium: 20 min lecture

► Presentation Material Format

- Please remember to set the screen ratio to 16:9 to meet the screen transmission ratio.

► Preview Room

- Operating Hours: October 24, 07:30-17:00/ October 25, 08:00-14:00

► A/V Equipment

- Please bring your final presentation files on a USB flash drive to the Preview Room at least **1 hour** before your presentation.
- When reviewing your presentation file, please ensure all fonts and images appear as expected.
- After you have finished reviewing and/or making changes to your presentation, please notify an A/V technician so that they can review and upload your files onto the PCs connected to each session room.
- We **DO NOT** recommend using your laptop computer for your presentation to avoid problems with computer-projector compatibility and to save the time that would otherwise be needed for changing connections.
- If you wish to use your laptop (using **HDMI**) or require internet access for your presentation, we advise you to inform the technician in advance.
